Tucson Police Department Memorial Plaza Memorial Pavers

The Tucson Police Department is constructing a new Memorial Plaza at its Headquarters, 270 S. Stone Avenue, that will be dedicated in May 2006. The Memorial Plaza will honor the Tucson Police Officers killed in the line of duty and pay tribute to all law enforcement officers—past, present, and future—who choose a career dedicated to safeguarding the residents of Tucson.

The Tucson Police Officers Association and the Fraternal Order of Police Lodge #1 are offering a unique opportunity for members of the community to become a part of this memorial by purchasing a flagstone paver in your name or that of a loved one. By filling out the attached form, your personally-engraved paver will be permanently placed in the Tucson Police Department Memorial Plaza. We are offering the pavers in two sizes:

Includes up to 4 lines of text with 15 characters available for each line

• **10 in. x 10 in. Flagstone Paver - \$300**

Includes up to 8 lines of text with 15 characters available for each line; or Includes up to 4 lines of text with 15 characters available for each line with the Tucson Police Department logo engraved at the top of the paver
